

BROWN BAG LUNCH LECTURE

August 16, 2018 - 12 p.m.

\$5, free for members

Beverages will be served

MINING IN THE OLD DAYS

Presented by Dr. Stephenie Slahor

California, Nevada and Arizona have rich mining histories, but mining in the old days was a unique, dangerous and difficult job. Take a look at what life was like for miners, the work they did, how they lived, and how mining helped open the West for settlers.
