Friday evening, I attended the Yucca Valley High School Art Show reception being held at the Hi-Desert Nature Museum.

What an awesome display of artwork. The few photos that were in Saturday's newspaper give a sample of the art work.

Thanks to the museum for having this collection of art on display for the public's viewing and I encourage the residents not to miss the opportunity to stop by and enjoy this awesome display of art work done by our youngsters.

I can only imagine where this talent might take them in their future careers.

A big thank you to the art teacher, Mr. Bruce Hamilton, for his encouragement and mentoring that he provides to the students, and thank you, students, for sharing your talents with all of us.
